*Note: Includes accidental activation, burnt food, good intent, system malfunction, malicious, etc.

Other October notes: Our personnel and equipment were involved with several significant fire events during the latter part of October, starting with a vegetation fire that spread to a shed and inhabited dwelling to the rear of the Campus Hill Church, 11057 Hill Dr. on Saturday, October 18. The fire has been categorized as "suspicious". Thanks go out to Mayor Pro-Tem Karen Hansberger and husband Dennis, who provided cold drinks at the Command Post. We are of course also aware of all the devastation caused by the wildfire siege throughout Southern California, beginning locally on Tuesday, October 21, with the start of the "Grand Prix" and "Pass" fires, followed on Saturday, October 25 with the beginning of the "Old" fire above the City of San Bernardino. We contributed two engines and crews, along with the loan of our reserve fire engine (the 1974 American La France) to San Bernardino for staffing with their own firefighting crews (they ran out of equipment, and had to ask several of their neighbors for help with reserve apparatus). Kudos to all of the Loma Linda firefighters who participated, and to those who covered our City while the other crews were out.
